## DIETARY NEEDS

We have brown rice, gluten-free [GF],  
vegetarian and vegan roll options.

### Nut allergy

Avoid the Nutty Professor. We take great  
care to isolate nuts from other rolls in the  
kitchen. We have sesame seeds in our rolls.  
All rolls are prepared from the same kitchen.

### Seafood allergy

We have a range of rolls with chicken, beef  
and vegetables.

### Dairy-free

Our rolls do not contain any dairy products.
